

BOAT TRIP AND VISIT TO THE BUGGYPOWER MARINE MICROALGAE PRODUCTION UNIT (PORTO SANTO)

Date: Sunday, October 3rd Time: 7h30 to 21h30.

Cost: free (including: boat trip, visit to BUGGYPOWER PRODUCTION UNIT, lunch*, free afternoon with the possibility to enjoy the beach or to visit the town center)

Maximum number of persons: 50

The maximum number of persons is a function of the current COVID 19 restrictions on transport. Please bring a mask with you.

Book early to ensure your place! [Link](#)

The excursion departs from “Cais Sul do Porto do Funchal” (5-8 min walking from Pestana Casino Park Hotel).

You will take a boat to Porto Santo Island.

Arriving there, you will continue to the BUGGYPOWER PRODUCTION UNIT (5 min walking distance) where you will visit one of the most innovative marine microalgae production units in the world.

After that, a bus will take you to Vila Baleira where you will enjoy lunch at Hotel Torre Praia (hotel to be confirmed).

During the free afternoon you will have the opportunity to enjoy the beach, with golden sand and clear waters or tour around the town center.

The bus will take you once again to “Cais Sul do Porto de Abrigo”, where the boat will then take you back to the “Cais Sul do Porto do Funchal”.

* Lunch – includes a buffet and drinks (water, wine, juice, beer, soda and coffee)
